FREEDOM RIDE
ROUTE 40
MARYLAND AND DELAWARE
NOVEMBER 11, 1961

On November 19, 1961, Inspector [redacted] of the Baltimore City Police Department advised the Baltimore Office of the Federal Bureau of Investigation that on the previous day approximately 400 demonstrators sat in restaurants or picketed outside restaurants in Baltimore City and near Annapolis in connection with an attempt to integrate Maryland restaurants. The demonstrators were in part made up of college students from Maryland, Washington, D. C., New England and New York Colleges. Specifically, the students were from Morgan State College, Johns Hopkins University, Goucher College, all in Maryland, and George Washington University of Washington, D. C. and Wellesley College and Harvard Divinity School of Massachusetts. Yale University of New Haven and New York University. Inspector [redacted] stated that the demonstrations in Baltimore City were orderly and between the police and the restaurant owners, many of whom employed private guards, the demonstrations were kept within orderly bounds. Only two people were arrested for trespass and both were from out of state and of the white race. They were [redacted] of New Haven, Connecticut, and [redacted] of Washington, D. C.

ANTHONY W. HOWEN, Chief of the Annapolis Police Department, Annapolis, Maryland, advised that the following were arrested on November 18, 1961, for trespassing on that date which grew out of the attempts of these persons to integrate the Antoinette Restaurant at Annapolis:

X The Sun, a Baltimore daily newspaper, in its issue of November 21, 1961, reflects the decision of the Reverend Dr. LOGAN KEARSE, leader of the demonstrators, supra, to demonstrate on a smaller scale on the coming weekend. Same paper reflects the fact that the restaurant association had recently made and released a statement agreeing on a need for a bill to be passed by the State Legislature granting state-wide equal public accommodations. The article reflects that the demonstrations scheduled for this coming weekend would be confined to Baltimore.

Previously, The Sun, in its issue of November 20, reflected the decision of Congress on Racial Equality (CORE) to test the good faith of 35 restaurants along Route 40 who had previously taken the position that they would be willing to serve all people regardless of their race. CORE indicated that they would test these restaurants on Thanksgiving Day.

FREEDOM RIDE
ROUTE 40
MARYLAND AND DELAWARE
December 16, 1961

Special Agents of the Federal Bureau of Investigation (FBI) on December 16, 1961, from approximately 11:00 AM to 1:00 PM, observed approximately 150-250 Negro and white persons, male and female, the majority of whom were of college age, gather at the last Howard Johnson Restaurant on the New Jersey Turnpike near the Delaware State Line. Among the group were a number of colored ministers. The gathering was orderly and presided over by [redacted] Congress of Racial Equality (CORE). [redacted] gave the assignments to the participants, who were divided, Negroes and whites, to private automobiles and to each automobile was assigned a leader. All were instructed to conduct themselves in an orderly manner and were admonished to remember they were under the scrutiny of the nation and to follow the instructions of their leaders and to report their observations to him. Each car was given sheets of white and yellow paper which contained their instructions, the identity of the restaurant to be visited and telephone numbers of CORE, Baltimore. They were specifically told not to use alcohol and not to resort to force. Designated persons approximately ten in number, were instructed to remain in the restaurant and submit to arrest and the remainder were told to leave the restaurant after the Trespass Law was read to them. b6 b7C

Lieutenant [redacted] Delaware State Police, advised Special Agents of the Wilmington, Delaware, Resident Agency of the FBI, that no disorders were reported to him and no arrests were made by the Delaware State Police in connection with the demonstrations in Delaware.

DATE 11-27-2009 BY 60324 uc baw/sab/rs

On December 28, 1961, [redacted]
Office of the Clerk of U. S. District Court, Nashville,
Tennessee, advised that on December 16, 1961, Judge WILLIAM
E. MILLER, U. S. District Judge, Nashville, entered an order
in the case entitled [redacted] ET AL, versus State
Board of Education, ET AL, Civil Docket Number 3129. This
order concerned the decision of the court with regard to the
petition by the plaintiffs for injunctive relief from their
dismissal from Tennessee A & I State University after being
arrested in connection with their participation in a Freedom
Ride at Jackson, Mississippi. The court ruled that it was
felt that injunctive relief should be given to the plaintiffs
to enforce their rights to procedural due process with respect
to any disciplinary action on the part of Tennessee A & I
State University growing out of their Mississippi convictions
and any alleged violations under the regulations of the State
Board of Education as enunciated in a letter by that Board on
April 8, 1960 to the heads of all educational institutions
in the state. This particular letter was the basis upon which
the university's disciplinary committee dismissed the students.
In substance, the court ruled that the students should have
been given a hearing by the Disciplinary committee prior to
the time that they dismissed them from school. The court ruled,
however, that the parties should agree on the exact terms of
the injunction and then come before the court to fix terms upon
which the court would issue the injunction.

b6
b7c

An article appeared in The Nashville Tennessean,
a daily newspaper published at Nashville, Tennessee, on December
28, 1961 in which it was stated that the parties had agreed on
the terms of the injunction and that the order had been prepared
by the State Attorney General's Office and would be presented to
Judge MILLER for approval on December 28, 1961. According to
this article, the university would re-admit eight of the thirteen
students to be enrolled in the school on January 2, 1962, which
is the opening of the winter quarter. These eight students were
dismissed purely because of their being arrested in Jackson,
Mississippi in connection with the Freedom Ride. It provided

157-387-1338

for a hearing for these students after they had been re-admitted, which hearing would be held by the University's Disciplinary Committee. The other five students were dismissed for academic deficiency in addition to the other action, therefore, it was agreed by the parties that they would be re-enrolled in accordance with the regular policy and practice of the university."

Synopsis:

Louisiana Supreme Court refused writ of mandamus certiorari and prohibition 10/11/61. Defendants petitioned La. Supreme Court for stay of execution of sentences for 90 days to prepare and file in Supreme Court of United States application for writ of certiorari mandamus and/or prohibition. On 11/21/61, La. Supreme Court granted 60 day stay of execution and on same date First Judicial District Court, Caddo Parish, granted stay of execution for 90 days, for purpose of filing application for relief in Supreme Court of the U. S. [REDACTED] remains in Caddo Parish Jail in lieu of \$750.00 bond on local charge and \$5,000.00 bond on narcotics charge in New Orleans.

- P -

DETAILS:

AT SHREVEPORT, LOUISIANA

On December 20, 1961, Major [REDACTED] Caddo Parish Sheriff's Office, advised that [REDACTED] was still incarcerated in the Caddo Parish Jail, having never made the \$750.00 bond set on the local sentence passed August 23, 1961, or the \$5,000.00 bond on the narcotics charges in New Orleans.

NO 157-363

On December 21, 1961, [redacted] First Judicial District Court, Caddo Parish, made available the docket on instant case, which reflected the following information:

On October 11, 1961, the Louisiana Supreme Court refused a writ of mandamus certiorari and prohibition, stating, "the showing does not justify the exercise of our supervisory jurisdiction." b6 b7C

A petition for stay of execution was filed with the Louisiana Supreme Court by [redacted] and [redacted] attorneys for the petitioners. This petition reflects that the Louisiana Supreme Court, on November 6, 1961, refused application for a rehearing, and states that "the opinion of the Louisiana Supreme Court deprives the petitioners of rights secured and guaranteed them by Article 1, Section 10, Constitution of the State of Louisiana, and the 6th Amendment to the Constitution of the United States in that defendants were forced to trial without being properly appraised of the charges against them, in that the statute fixed no ascertainable standard of guilt." This petition also states "the defendants have thus been deprived of the right to peaceably assemble, as guaranteed by the 1st Amendment of the United States Constitution and Article 1, Section 5 of the Constitution of the State of Louisiana."

The petition also states "the petitioners were deprived of rights secured to them by the Equal Protection and Due Process clauses of the 14th Amendment to the Constitution of the United States in that they have been convicted of having disturbed the peace despite that there is no evidence of any misconduct on their part and have been deprived of the Equal Protection of the laws as guaranteed by the 14th Amendment to the Constitution of the United States in that they were convicted for attempting to use facilities of which is permitted by persons of races other than their own and that they were arrested therefore solely because of their race and color."

NO 157-363

The petition further states "the petitioners aver that they timely raised all of the questions referred to above at the time of their arraignment and after their convictions in a motion for a new trial and in a motion in arrest of judgment, and by their assignment of errors."

The petition further states that "petitioners now show that they wish to apply to the Supreme Court of the United States for writs of Certiorari and Review, or Appeal, to review the decision of this Court upon the issues shown by the record in this case, and desire stay or delay in which to apply to said Court, and that the decree or mandate of this Court be stayed so they can so present their petition to the Supreme Court of the United States for relief."

The petition requests "stay of execution of the sentences and judgment herein, and requested delay of 90 days to prepare and file in the Supreme Court of the United States their application for a writ of Certiorari Mandamus and/or Prohibition and as appeal to review the decision of the Louisiana Supreme Court."

The docket reflects that on November 21, 1961, the Supreme Court of the State of Louisiana granted the petitioners a stay of execution of the decree of this Court for 60 days dating from the date of this order within which to apply to the Supreme Court of the United States for appropriate relief.

The docket also reflects that on November 21, 1961, First Judicial District Court Judge ROBERT J. O'NEAL ordered a stay of execution of all sentences and judgments imposed herein for 90 days from that date for the purpose of filing application for relief in the Supreme Court of the United States.

On 1-20-62 information received from a Baltimore confidential informant that a bus load of members of the Civic Interest Group of Baltimore and several car loads of members of the Congress of Racial Equality were proceeding to Cambridge, Maryland, that date to engage in sit-in demonstrations at Cambridge restaurants was furnished to the Maryland State Police and the Cambridge Police Department.

On 1-19-62 Brice G. Kinnamon, Chief of Police, Cambridge, had advised that in anticipation of the demonstrations, arrangements were completed for the use of 200 law enforcement officials consisting of members of the Maryland State Police, Dorchester County Sheriff's Office, and the Cambridge Police Department to insure the maintenance of law and order.

It subsequently developed that these two groups were joined by 30 students from Maryland State College of Princess Ann, Maryland, and sit-in and picketing demonstrations were conducted at nine restaurants. Following these demonstrations, a rally was held at Bethel Church in Cambridge, after which a prayer meeting was conducted in front of city hall in which approximately 400 persons participated. The demonstrators departed from Cambridge about 10 p.m., 1-20-62.

The only demonstrator arrested was [redacted] who was charged with trespassing and released the same day on \$300 bond. [redacted] was previously arrested on the same charge at Cambridge as a result of a sit-in demonstration on 1-13-62. My dear Congressman:

In response to your inquiry at the Appropriations Committee hearing on January 24, 1962, regarding a group of Freedom Riders from St. Paul, Minnesota, I thought you would be interested in the following information.

On June 9, 1961, a group of six Freedom Riders from the Minneapolis-St. Paul area departed Minneapolis by Greyhound Bus en route to Nashville, Tennessee, and Jackson, Mississippi.

On June 11, 1961, upon arrival at the Greyhound Bus Terminal in Jackson, the members of the group, all of whom were white, proceeded to the terminal's Negro waiting room. When they refused to comply with an order to move on issued by an officer of the Jackson Police Department, they were arrested and charged with breach of the peace. Each member of the group was subsequently tried in Municipal Court, Jackson, Mississippi, convicted, fined \$200 and sentenced to four months in jail.

The following individuals were members of this group:

SUBJECT: FREEDOM RIDERS FROM
MINNEAPOLIS - ST. PAUL AREA
RACIAL MATTERS

In connection with the inquiry of Congressman Fred Marshall at the Appropriations Committee hearing 1/24/62, the Minneapolis Office was telephonically contacted 1/24/62 to obtain pertinent information concerning the group of freedom riders from Minneapolis-St. Paul arrested at Jackson, Mississippi, 6/11/61, information concerning any additional groups from Minneapolis - St. Paul which may have engaged in freedom-ride activity, and to ascertain whether there was any public source material available concerning the subversive affiliations of members of the group arrested 6/11/61.

SA [redacted] of the Minneapolis Office subsequently furnished the following information obtained from a review of pertinent Minneapolis files on 1/24/62.

The group of six freedom riders from Minneapolis - St. Paul who were arrested at Jackson, Mississippi, 6/11/61, was the only group from that area involved in freedom-ride activity.

Minneapolis files contain no subversive information re [redacted]

Available subversive data concerning [redacted] and [redacted] was set forth in Minneapolis letterhead memorandum dated 8/16/61 captioned, "Freedom Ride 1961, Greyhound Bus M 4446, Nashville, Tennessee, to Jackson, Mississippi, 6/11/61, Racial Matters, Civil Rights."

The only additional information of a subversive nature re [redacted] and [redacted] not included in that letterhead is information subsequently received from a reliable source that [redacted] was a member of

Memorandum to Mr. Rosen

[redacted] is the subject of Bufile 100-141790. She was active in various CP front groups, including the Civil Rights Congress, the Progressive Party, and the Minnesota Committee to Secure Justice for the Rosenbergs, from 1948 to 1952.

[redacted] is currently included on the list of Security Index subjects of the Minneapolis Office. She was a CP member in Boston, Massachusetts, prior to moving to St. Paul, Minnesota, in 1951. She was an active member of the CP in St. Paul from 1952 - 1955, at which time she was ostensibly dropped from membership for failure to attend CP meetings or pay dues; however, as recently as 1958, she was described by her brother as being an active CP member. At the present time she continues to participate in open and semi-open CP functions such as May Day meetings and CP sponsored picnics, as well as in various CP front groups activities. When contacted by Agents of the Minneapolis Office in an effort to interview her, [redacted] was completely hostile and uncooperative.

b6
b7c

[redacted] was a CP member and [redacted]

[redacted] He was identified as a member of the CP in Boston, Massachusetts, as recently as 1/30/54.

There is no public source data available concerning the subversive affiliations of the [redacted] and [redacted]

The files of Minneapolis reveal that in late July, 1961, one [redacted] Minneapolis, signed a petition sent to President Kennedy calling for a reversal of the State Department's policy of hostility towards Cuba. This individual cannot, however, be positively identified as being identical with [redacted] who was arrested at Jackson, 6/11/61.

In connection with Congressman Marshall's inquiry, SA [redacted] noted that the 11/17/61 issue of the Minneapolis Star contained an article concerning freedom rides. In this article Dr. Leo Bishop, identified as vice president of the National Conference of Christians and Jews was quoted as saying that many of the freedom riders jailed in the South had been disillusioned to find that many of the riders were communists, leftists, atheists, or people who believed in violence as a dynamic of social progress. SA [redacted] noted that this article may have been the source of Congressman Marshall's opinion that the freedom riders from Minneapolis were "odd-balls and beatniks."

A source advised on May 3, 1961, that the CCPAF was organized in Los Angeles, California, in January, 1952, for the announced purpose of supporting a number of individuals from the medical and legal professions who had been subpoenaed to appear before the House Committee on Un-American Activities.

Since its establishment, the CCPAF in extending its scope, has worked for the abolition of all Congressional, State, and local committees investigating subversive activities and in the latter part of 1954 became very active in opposition to State and Federal legislation directed at the Communist movement.

The primary goal of the CCPAF is the abolition of the House Committee on Un-American Activities.

The memorandum from Mr. Rosen to Mr. Belmont dated today captioned matter recommended that a letter from the Director be given to Congressman Marshall setting forth data relating to the arrest of Freedom R from Minneapolis who traveled by bus from Minneapolis to Jackson, Mississ in June, 1961. It was also recommended that information concerning the cor activities and background of [] and [] be orally furnis the Congressman.

ACTION TAKEN:

As Wick entered Mr. Marshall's office, Mr. Marshall said he was completely amazed at the promptness with which Mr. Hoover answered his request. He said this promptness and thoughtfulness was characteristic of the Director and the great organization he heads. He said he was absolutely dumbfounded. Wick told him that Mr. Hoover wanted him to have the benefit of the letter and other information on a confidential, personal basis. Mr. Marshall said he would respect that confidence and would accept anything Wick had to say as such.

Mr. Marshall said further that the Director's testimony yesterday was superb and that many Congressmen had told him that they thoroughly enjoy hearing Mr. Hoover testify because he is so definitive, so direct, leaves no stone unturned, and is not given to quibbling, half facts and conjecture; when he speaks, he speaks with authority and they all enjoy that approach because it is so unusual.

Re: Freedom Riders From
Minneapolis-St. Paul Area
Congressman Fred Marshall (D-Minn.)

Mr. Marshall was told by Wick concerning the communist background of [] and [] Mr. Marshall said he very much wished he could utilize this on the Floor of the House but Wick told him that would be dangerous in that we could not back him inasmuch as our information came from confidential sources and could not be revealed at this time. Mr. Marshall said he thoroughly understood this fact and would not so use the material. He said, however, that he has in mind contacting a colleague of the House Committee on Un-American Activities for the purpose of possibly calling the six Freedom Riders to testify before the House. He said this is his preliminary thinking so that once a record is built, he could then proceed. Mr. Marshall said this was not his final decision but he certainly believed such unscrupulous agitators should be exposed inasmuch as they have operated in complete defiance of the law and against the interest of the United States.

b6
b7C

Mr. Marshall mentioned at the conclusion of the interview again that he was most impressed by Mr. Hoover's testimony. He said he wondered if Mr. Wick would take up with Mr. Hoover the manner in which the record will reflect the Director's answer to his question concerning the Freedom Riders. He stated it would help if the record would show, in answer to his question whether the communists had infiltrated the Freedom Riders; that Mr. Hoover answered, "Yes," and then elaborated on that answer. Mr. Marshall hastened to add he well understood reasons why Mr. Hoover perhaps would not care to, or could not, answer his question directly with a "yes." He stated if Mr. Hoover could not do so, he would certainly understand inasmuch as the answer Mr. Hoover gave him was wholly responsive to his question and most comprehensive. Mr. Marshall emphasized he was not making this as a request and the Director should definitely feel free to simply forget the matter if he so desires. Wick assured him this matter would be brought to Mr. Hoover's attention.

Re: Proposed State Wide Freedom Ride
State of Maryland, April 1, 1962
by Members of the Congress of
Racial Equality
Racial Matters

On February 2, 1962, James Farmer, National Director,
Congress of Racial Equality (CORE), 38 Park Row, NYC, advised
that CORE has no plans to conduct a state wide Freedom Ride
demonstration in Maryland on April 1, 1962.

Mr. Farmer stated that a meeting of the National
Council of CORE is scheduled to be held in Cincinnati, Ohio, during
the week-end of February 10 and 11, 1962. The purpose of this
meeting is to formulate plans for future CORE activities such as
freedom rides.

Mr. Farmer stated that tentative plans call for CORE
testing various restaurant facilities on Route 1 from Washington,
D.C. to Florida and Route 66 in the southwestern part of the
United States.

Mr. Farmer stated that a CORE member has already made
an "unofficial survey" of conditions on Route 1 and found that
there was much discrimination.

Mr. Farmer reiterated that no definite plans have been
set up for the Routes 1 and 66 demonstrations and no decision
has been made as yet whether CORE will actually go through with
these demonstrations.

Mr. Farmer stated that following the CORE meeting in
Cincinnati on February 10 and 11, 1962, CORE will make a press
release concerning future plans which will set forth information
concerning any demonstrations CORE plans to put into effect.

FREEDOM RIDE, 1961,
Greyhound Bus
Los Angeles to Jackson,
Mississippi, July 15, 1961

Numerous informants who have furnished reliable information in the past have furnished information that ROSE ROSENBERG has spoken at several public and private gatherings from September to December, 1961 concerning her participation in a Freedom Ride in July, 1961. One informant reported that in a private meeting on October 8, 1961 held at 1115½ South Hayworth Avenue, Los Angeles, for the purpose of raising funds for the "People's World" Newspaper, ROSE ROSENBERG was the principal speaker. During her talk she stated she felt free to express herself with this group inasmuch as they knew her and she could admit her affiliation with the Communist Party. *OK*

The "People's World" Newspaper is a west coast weekly newspaper. *U*

According to other informants the talks of ROSE ROSENBERG generally dwelt around these points:

1. She and other Freedom Riders were denied equal protection under the law; they were not permitted to eat together in Mississippi.
2. Severe sentences received in Municipal Court, Jackson, Mississippi, were not commensurate with the charges of breach of peace; these penalties were \$200.00 fines and four months in jail. Also she stated she had been subjected to a vaginal search by four male guards.
3. Lack of civil rights and liberties in the South.

The New Orleans Office of the FBI has advised that ROSE ROSENBERG's trial in Hinds County Court, Jackson, Mississippi, has been postponed to March 26, 1962.

WORKERS WORLD PARTY

[redacted]
On April 17, 1959, a source advised that on February 12, 1959, a Socialist Workers Party (SWP) minority group, under the leadership of National Committee member, [redacted] known in the SWP as [redacted] split from the SWP.

The source stated that this minority group, referred to as the [redacted] after many years of program and policy differences on varied issues concerning tactics and interpretation of political events, split from the SWP on the grounds that the Party was liquidating itself by departing from the Marxist precepts of LEON TROTSKY and retreating from the fight for the world socialist revolution. The final issue which ultimately forced the split was the minority's opposition to the SWP regroupment policy which involved cooperation with the Communist Party (CP) periphery-individuals characterized by the minority as petty-bourgeois.

The minority program, according to the source, advocated the unconditional defense of the Soviet Union and has as its goal the building of a revolutionary party with a complete proletarian orientation for the purpose of overthrowing capitalism in the United States and throughout the world.

On May 12, 1960, the source advised that this minority group had chose the name Workers World Party (WWP).

On May 4, 1961, the source stated that Headquarters of the WWP were located at 46 West 21st Street, New York, N. Y.

The SWP and the CP have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

YOUNG SOCIALIST ALLIANCE

The May 1960 issue of the "Young Socialist" (YS), page 1, column 3, disclosed that during April 15-17, 1960, a national organization entitled, "The Young Socialist Alliance" (YSA), was established at Philadelphia, Pa. This issue stated that this organization was formed by the nationwide supporter clubs of the publication YS.

The above issue, page 6, set forth the Founding Declaration of the YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles, and that the supporters of the YS have come into basic political solidarity with the SWP on the principles of revolutionary socialism.

A source advised on May 3, 1961, that the original YSA was an organization formed during October 1957, in New York City, by youth of various left socialist tendencies, particularly members and followers of the SWP. The leaders of this group were the guiding forces in the establishment of the national organization.

The source further advised that the YSA is dominated and controlled in its leadership and ranks by members of the SWP. The source added that the SWP considers the YSA as a training field for hard-core SWP leadership activity and as its current and future hope for recruits and the promulgation of the SWP movement throughout the United States.

The headquarters of the YSA are located at 10 East 23rd Street, New York City.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

PHILADELPHIA YOUNG SOCIALIST ALLIANCE
formerly known as the
Young Socialist Club of Philadelphia

A source advised on November 6, 1957 that in August, 1957 a meeting of all "radical youth" in Philadelphia was held to discuss the formation of a new broad socialist youth organization. According to the source, youth representing the Socialist Workers Party (SWP), the Communist Party (CP), and other socialist-type organizations participated in organizing this new youth organization, which on November 1, 1957, ratified its constitution and adopted the name Young Socialist Club of Philadelphia (YSCP).

On March 19, 1958, a second source advised that the CP youth and the youth from the other socialist-type organizations had withdrawn their membership and support of the YSCP due to the influence and control exercised over the YSCP by the SWP. The source advised that the YSCP membership now consists primarily of SWP youth. According to the source, the YSCP is similar in scope and nature to other young socialist clubs throughout the country which are in support of the "Young Socialist" (YS) newspaper; that the SWP look at the YSCP and all youth organizations built around the YS publication as a youth outlet for SWP youth; and that the SWP in Philadelphia was using the YSCP as a broad front youth group, both to bring youth into the SWP and to train their own youth people.

A third source advised on April 22, 1960, that on April 15-17, 1960, the YS supporter clubs held a national conference in Philadelphia, Pa., and organized a new national socialist youth organization Young Socialist Alliance (YSA). The national headquarters of the YSA is located in New York, N. Y. The Philadelphia affiliate, YSCP, has changed its name to Philadelphia Young Socialist Alliance (PYSA).

The May 1960 issue of the YS, a monthly publication, self-described in the May 1960 issue as the newspaper of the YSA, on page 6 set forth the Founding Declaration of the YSA. This declaration stated that the YSA recognizes the SWP as the only existing political party capable of providing the working class with political leadership on class struggle principles, and that the supporters of the YS have come into basic political solidarity with the SWP on the principles of revolutionary socialism.

A fourth source on May 15, 1961 advised that the PYSA utilized Apartment 4L, 3502 Powelton Avenue, Philadelphia, Pa., as its headquarters. According to this source, the PYSA is dominated and controlled in its leadership and ranks by members of the SWP.

The SWP and the CP have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

FREEDOM RIDE FROM TALLULAH, LOUISIANA,
TO SHREVEPORT, LOUISIANA,
VIA TRAILWAYS BUS,
MARCH 15, 1962

On March 15, 1962, [redacted]
[redacted] the Congress of Racial Equality (CORE)
advised that a group of four freedom riders had departed
Shreveport at 11:45 on that day by Trailways Bus for
Tallulah, Louisiana and on their return trip from Tallulah
to Shreveport on March 15, 1962, they would test restaurants,
waiting rooms, and restrooms to determine if integrated
facilities were being provided to intra-state passengers
in accordance with the recent Supreme Court Decision that
intra-state passengers should receive the same facilities
as inter-state passengers. b6 b7C

[redacted] stated that the group consists of the
following Negro male members of CORE:

[redacted] B. APPROX. [redacted]
[redacted] who has recently been expelled from
Southern University, Baton Rouge. He is [redacted] years of age and
lives in New Orleans. LA

[redacted] B. APPROX. [redacted]
[redacted] who has recently been expelled
from Southern University and has been a freedom rider previously.
He is [redacted] years of age and lives in Shreveport. LA

B. APPROX. [redacted] a former student at Southern University
and formerly a freedom rider, age [redacted] living in Shreveport. LA

B. APPROX. [redacted] also a former student of Southern
University, who is [redacted] years of age and lives in Shreveport.

It was determined that this group departed Tallulah,
Louisiana at 11:45 AM, March 15, 1962 and arrived at Monroe,
Louisiana at 10:25 AM that day. On arrival they all entered
the waiting room of the Trailways Bus Station and seated them-
selves in the South portion of that room which is the portion
customarily used by Negroes. They then left the bus station

in taxicabs and returned to the bus station at 12:50 PM and seated themselves in the south end of the waiting room. About 15 minutes later, three of the group walked to the opposite end of the waiting room and two of them approached the door of the cafe in the terminal. As these two Negroes opened the doors of the cafe, they were approached by a police officer of the Monroe Police Department and were advised that what they were about to do would be considered a Breach of the Peace, if they did not move on. These two then walked out of the bus station.

The third Negro, who was seated in the north end of the station, which is customarily used by white travelers, was also approached by a police officer of the Monroe Police Department and advised that his actions in sitting in that portion of the waiting room would be considered a Breach of the Peace if he did not move on. He also walked out of the bus station.

All four members of the group then boarded a Trailways Bus which departed at 1:10 PM for Alexandria, Louisiana.

The group arrived in Alexandria at 3:35 PM, left the bus terminal and departed Alexandria at 4:10 PM the following day, March 16, 1962. Prior to departure, two of the group sat in the customarily white section of the waiting room for a few minutes. They were not interfered with in any way and they then boarded the bus.

The bus arrived at Shreveport, Louisiana, at 7:50 PM and none of the Negroes on the bus entered or attempted to enter the area normally occupied by white people and the four uniform police officers observed in the bus station area had no conversation with the Negroes.

Throughout the entire trip, there were no arrests made.
